

Our Covid-19 Response

We want to assure you that safety is our #1 priority. In addition to following the CDC and FSSA guidelines we have enhanced our already high standards of education, care, illness screening, food safety, hygiene, disinfecting, air purification and sanitation to include the following:

- **Best on the market Air Purification and Sanitation System - Coming Soon**

Dahua HTPC-BP5421 Body Temperature Camera

Human Temperature Measurement Blackbody

- **Top of the line Thermal Body Temperature Scanners - Coming Soon**

- **Professional Grade Botanical Disinfectant Solution - We spray the entire building, outdoor equipment, toys and materials with disinfectant daily**

- **Use of no touch thermometers to measure every child, staff member and parent entering the buildings**

- **We have taken further steps in our handwashing and sanitation procedures**

- **Teachers conduct a deep clean twice a day within their classrooms**

- **Asking staff members or children who may be sick to follow CDC recommendations and consult with their doctor before returning**

- **Teachers monitoring children in the classroom for signs of illness`**

- **Teachers wearing face masks**

- **Following all CDC and local FSSA guidelines**
